I. Read Government Proceedings No. 1432-9—L. B. 52-09-1, dated 10th August 1909, stating that clause (*f*) of para 132 of the Rules issued under the Local Boards Regulation enjoins that certain items of revenue derived from a Union shall be wholly appropriated for the purposes of the Union and requesting to be furnished with a statement of receipts and expenditure in the several Unions during the past three years together with suggestions, if any, for any alterations in the rule that may be deemed necessary.

Resolution.—The majority of the members present were in favor of putting into practice the existing rule enjoining that certain items of revenue derived from a Union shall be wholly appropriated for the purposes of the Union administration, and considered that no modification of the rule was necessary.

II. Read Government Proceedings No. 6847-53—L. B. 232-09-1, dated 8th February 1910, requesting to be furnished with a report in consultation with the District Board, why the services of the Union mutsaddis should not be dispensed with at once.

Resolved that the services of the mutsaddis in the three Unions Holavanahalli, Rampura and Tovinkere in the Koratagere Sub-Taluk be dispensed with from 1st July 1910.

III. Read and passed the District Fund budget estimates for 1910-11.

IV. Read Senior Surgeon's docket No. 2614-21; dated 26th November 1909. *re* providing funds in the District Fund budget for 1910-11 for the construction of quarters to Hospital Assistants and midwives at Pavagada and Huliyar.

(1) District Medical and Sanitary Officer's docket No. 1141, dated 19th December 1909, on the subject and

(2) Papers connected therewith.

Resolution.—The estimated closing balance for the current year as sanctioned by Government, is far below the prescribed minimum. The total estimated income for the next year, *viz.*, Rs. 1,01,350, is barely sufficient to meet the items of expenditure under Public Works and establishment and other charges during the next year, after setting aside a sum of about Rs. 13,000 as working balance. In these circumstances funds will have to be made available only for the maintenance of the existing buildings. The provision for Hospital Assistants' and mid wives' quarters would have to wait until funds can be found.

V. Read Executive Engineer's docket No. 14, dated 6th January 1910, requesting to arrange for a transfer of a sum of Rs. 249 for the repairs to the 3rd class travellers' bungalow at Pavagada, as the work has been already carried out.

Resolution.—The well work at Sulnaikanahalli that is included in the current year's District Fund budget may be deferred and out of the sum of Rs. 300 sanctioned therefor, the sum required for the repairs of the travellers' bungalow referred to may be transferred to (A) Public Works.

VI. Read Executive Engineer's docket No. 35, dated 25th January 1910, forwarding for countersignature an estimate for Rs. 160 for constructing a tunnel in 8—7th mile of the Tumkur-Maddur road.

Resolution.—Approved.

VII. Read Executive Engineer's docket No. 41, dated 3rd February 1910, forwarding three alternative estimates one for constructing a new native kitchen attached to the travellers' bungalow at Turuvekere for Rs. 660 as per standard type design and another for rercofing the old mantapam with Mangalore tiles for Rs. 415, and the third for Rs. 251 for reroofing mantapam with available pot tiles, and requesting that funds may be allotted for this work as it is an urgent one.

Resolved that a new kitchen be built at an estimated cost of Rs. 660 by using the available old materials and that a sum of Rs. 660 be provided in the next year's budget for this work, as there are no funds available to take it up during the current year.

VIII. Read Maddagiri Taluk Amildar's report No. 271, dated 18th December 1909, forwarding the Maddagiri Taluk Board's resolution *in re* the formation of the Maddagiri-Hindupur cart-track into a road.

Resolution.—There are no funds available to take up this work.

IX. Koratagere Sub-Taluk Deputy Amildar's reports No 59, dated 25th October 1909, and No. 119, dated 4th February 1910, proposing that the budgetted works, *viz.*, sinking wells in Goddarahalli and Guddanahalli, may be deferred and that the funds sanctioned therefor may be re-appropriated for sinking a well at Kambadahalli and improving the well at Hosahalli.

Resolution.—Approved.

X. Read Gubbi Sub-Divisional Officer's yadi No. 203, dated 16th December 1909, forwarding an estimate for Rs. 21 for repairing the musafirkhana at Chelur and proposing that the cost of this non-budgetted work be reappropriated from the savings out of the sum sanctioned for a well at Honnavalli in the current year's District Fund budget.

Resolution.—Approved.

XI. Read and passed the lists of works sanctioned out of District Funds and Local Funds General during the months of January and February 1910.

Resolution.—Approved.

XII. Read and passed the Irrigation Cess Fund budget estimates for 1910-11.

XIII. Resolved that the next meeting of the District Board be held on 6th June 1910, at 3 P.M.

K. DORASWAMI IYER,
President.
